Teacher Interpretation Guide

What This Diagnostic Isolates:

- 3rd person singular -s control
- Base verb form with plural subjects
- Habit vs “right now” confusion
- Error recognition vs production accuracy
- Retrieval under varied task demands

Scoring & Interpretation

Score Range	Interpretation	Instructional Next Step
9-11 correct	Strong Control	Move to contrast mission (Simple vs Continuous)
6-8 correct	Partial mastery	Targeted retrieval on 3rd person singular
0-5 correct	Core structure unstable	Reteach structure + spaced retrieval

Answer Key

1. B 2. B 3. A 4. He goes to practice on Mondays. 5. My teacher gives homework every Friday. 6. They eat dinner at 6 p.m. 7. watches 8. arrives 9. work 10. studies 11. is studying
